PRE-K AFTER SCHOOL PROGRAM

YMCA After Care for Pre-K Students at the Franklin Borough School.

The Sussex County YMCA After School Care Program is now open to children ages 2 1/2 to 5 years old. Care will be provided daily from dismissal to 6pm. The program will provide a safe and nurturing environment specially designed for preschoolers.

Our staff will plan daily activities to give children the opportunity to become confident kids today and happier and healthier grown-ups tomorrow!
