Dear Parent/Guardian of

Your child was determined to be eligible for our Gifted and Talented Education (GATE) Program. Multiple criteria were considered, including comprehensive recommendation from teachers, ability assessment scores, and a gifted student screening scales. This means your child possesses either potential or demonstrated ability to perform at an exceptionally high level in an academic area significantly beyond what is normally found with children of the same age, experience, or environment.

The GATE class will meet for one class period every other week with Mrs. Roberts. The mission of the GATE program is to provide enriching experiences that deepen the love of learning. In this program, your child will receive supplementary educational opportunities, including exposure to many different projects, which will challenge creative and critical thinking and foster problem solving skills.

Please complete the enclosed participation form and return it to Mrs. Roberts. Contact Mrs. Roberts, [lr Roberts@fboe.org](mailto:lr Roberts@fboe.org), or Mrs. Ryder, [cryder@fboe.org](mailto:cryder@fboe.org), if you have any questions.

Sincerely,  
*Carolyn Ryder*
