Dear Substitute:

Welcome to Franklin Borough School! As a Substitute, you are a positive educational force and a valuable member of our school community. The staff and administration support the idea that education should go on when substitutes are in the classroom. We expect students to understand this as well and act accordingly.

We realize that you have a difficult task. In most cases, meeting different students each day is a challenge. Likewise, following lesson plans created by the classroom teacher and adjusting to the different styles of administrative leadership requires additional understanding.

Your job is to make the educational process continuous and to provide learning experiences that are meaningful while minimizing disruptions.

The following pages have been prepared for you. Enjoy your stay at Franklin Borough School.

Regards,

John R. Giacchi

Administrative Policies

The Franklin Borough School Board of Education (Board) will employ substitutes for absent teachers in order to ensure continuity in the instructional program. A list of substitutes and the rate of pay will be approved annually. Substitutes are selected from the list approved by the Board to serve in the place of an absent teacher. The Chief School Administrator may employ, subject to ratification by the Board at the next meeting of the Board, substitutes who have not received the prior approval of the Board when no approved substitute is available.

A substitute teacher shall follow the daily lesson plan provided by the teacher, and when that plan is exhausted or unavailable, the instructions of administration. A substitute may not plan or direct an instructional program except as expressly permitted by the Chief School Administrator.

The holder of the county substitute credential pursuant to N.J.A.C. 6A:9B-7.4(b) may serve for no more than 20 days in the same position in one school district during the school year.

The holder of a CE or CEAS pursuant to N.J.A.C. 6A:9B-7.4C may serve as a substitute teacher in areas authorized by their credentials for a period of 60 instructional days. Holders of CE or CEAS are not required to have a county substitute credential.

Understanding the Responsibilities of Substitute Teachers

Substitute Teacher Work Day

The nature of the substitute teacher's service may vary according to the day's assignment. Substitutes are expected to complete notes for the returning teacher, straighten the room, ***and attend to any problems or concerns which may have arisen throughout the day before leaving.***

When a teacher schedule indicates teacher prep time or administrative duties, **the substitute must report to the administrative office. The substitute's services may be needed in another classroom for that period of time.**

Automated Absence Management Substitute System

Franklin Borough School utilizes the Frontline Absence Management substitute system (formerly known as Aesop) to secure substitutes for teacher vacancies. After accepting a vacancy in Frontline, report to the Administrative office at Franklin Borough School at 7:30 a.m. on the day of the vacancy, and your assignment will be issued and/or confirmed.

Where to Park

Substitutes may park in any of the parking lots at school: the front parking lot, the back parking lot, or the lower parking lot. Substitutes are not permitted to park in visitor parking spaces.

When You Arrive

Substitutes should arrive no later than 7:30 a.m. to allow time before the students arrive at the beginning of the instructional day to become familiar with lesson plans, duties, assignments, and events for the day. In the event of a delayed opening, please arrive by 9:30 a.m.

Signing In

Upon arrival at the school, report directly to the administrative office (see Mrs. Carr) to sign in for the day and obtain a lanyard that identifies you as a substitute. Upon signing in, your assignment will be confirmed, and keys for the teacher's room will be distributed if required.

Signing Out

After completing substitute duties for the day, including any teacher's supervision assignment, substitutes must sign out in the administrative office and return the classroom keys, substitute lanyard, and substitute notes at the end of the day.

How to Dress

Dress appropriately and professionally for your substitute assignment.

Advice for Substitute Teachers

Upon arrival at 7:30 a.m., organize materials and become familiar with school rules, bell times, and emergency procedures.

Take advantage of available school resources, starting with the office. Check with administrators, the counselor, and secretaries to get any general information you will need to know that day.

Greet students warmly as they arrive.

Be sure to locate class seating chart(s) as soon as possible. Handle the roll call with care and deliberation -- it is important. Use the seating chart to call on students.

An Emergency folder (orange) is located in each classroom for fire and security drills.

When you hear an announcement of “Lockdown, lockdown, lockdown,” through the PA system, go into lockdown mode:

1. Lights out, secure door, and lower shade
2. Move students to the corner of the room out of sight.
3. All stay put and quiet.
4. No cell phone usage during lock down.
5. Wait quietly until a two-tier announcement over the PA is made ending the lockdown or a police officer, administrator, or custodian unlocks your door and provides further instructions.

Refer to the red folder in the orange folder for all emergency procedures.
